The wrong reading of an order came near causing a serious wreck on the Hend-Norfolk, Jackson, Memphis, Little Rock, erson division last Monday. The conerson division last Monday. The conductor and engineer on train 59 read the order that they should meet passenger train 52 at Nortonville instead of Mortons Gap, a the orders read. Both are old men on the division and two of the best in the company's employ, and their friends regret to see them get into trouble and hope after a careful consideration of the affair both may be allowed to continue at

work. The railroad officials held court at D. J. Evansville last Monday to ascertain if possible who was to bear the blame in the

recent wreck near Nortonville. Supervisor Sullivan was out last Monday

Louisville, Ky., Oct. 2.-The annual meeting of stockholders of the Louisville and Nashville Railroad will be held at the general offices of the company in this city omorrow. The meeting is to be a mere perfunctory affair, most of the stock being represented by proxy. During the past Railroad Company has made vast improvements, or put upon foot such improvements among them the magnificent station to be erected at Nashville. Besides this, the company restored the wages of all its ememployes to their standing in 1893, when a sweeping cut of 10 per cent, was made, It is soon to declare a dividend.

Its earnings the last fiscal year were such as to cause general satisfaction among the stockholders, and President Milton H. Smith said tonight that be did not expect there would be any changes in the board of directors. He added that the meeting would be purely routine in character, and that nothing but the election of the directors and the formal presentation of his annual report, as president of the road. would take place. It is, however, known that resolutions highly commending Smith's administration of the company's affairs and indorsing the course and action of the board of directors will be presented and adopted
